

Call for Papers: 12th Workshop on the Security of Industrial Control Systems & Cyber-Physical Systems (CyberICPS 2026)

In conjunction with the 31st European Symposium on Research in Computer Security (ESORICS 2026)

September 14–18, 2026 / Rome, Italy

The **CyberICPS Workshop** invites submissions of high-quality research papers on the security, privacy, and resilience of Industrial Control Systems (ICS) and Cyber-Physical Systems (CPS). This workshop provides a forum for researchers, practitioners, and industry experts to exchange ideas, discuss innovative solutions, and foster collaborations in securing the increasingly interconnected world of CPS.

Topics of Interest

We welcome submissions on, but not limited to, the following topics:

- Security and privacy in industrial control systems and critical infrastructure
- IoT and CPS security challenges and solutions
- Resilient and fault-tolerant CPS architectures
- Threat modeling, detection, and mitigation for ICS and CPS
- Secure communication protocols for CPS and IoT
- Cyber-physical attacks and defense mechanisms
- Case studies, experimental evaluations, and real-world deployments
- Formal methods, verification, and risk assessment for CPS security

Submission Guidelines

- **Paper types:** Full papers (16 pages excluding bibliography and appendices and 20 pages in total) and short papers (7 pages excluding bibliography and appendices and 11 pages in total)
- **Format:** <https://www.springer.com/gp/computer-science/lncs/conference-proceedings-guidelines>
- **Submission deadline:** ~~June 19, 2026~~ **July 1st, 2026**
- **Submission guidelines:** <https://conferences.ds.unipi.gr/cybericps2026/>

All accepted papers will be presented at **CyberICPS 2026** and published by Springer in the LNCS series. Selected papers may also be invited for **extended journal publication**.

Key Dates

- **Paper submission deadline:** ~~June 19~~ **July 1st, 2026**
- **Notification of acceptance:** July 31, 2026
- **Camera-ready version:** August 15, 2026
- **Workshop dates:** September 14–18, 2026

General Chairs

Sokratis Katsikas, Norwegian University of Science and Technology, Norway
Frédéric Cuppens, Polytechnique Montréal, Canada

Program Committee Chairs

Nora Boulahia-Cuppens, Polytechnique Montréal, Canada
Costas Lambrinoudakis, University of Piraeus, Greece

Publicity Chair

Sandeep Pirbhulal Norwegian Computing Center, Norway

Join us in **Rome, Italy**, for a week of **cutting-edge R&D, and collaboration** in CPS security!
